

FurryVNE - How to locate Player.log

Method 1:

1. In FurryVNE, go to Help → Open error log.
2. A file will open. Copy its contents and paste at <https://pastebin.com/>.
3. Give us the link.

Method 2:

1. Press WinKey + R
2. In the window that pops up, paste the string:
"%USERPROFILE%\AppData\LocalLow\FurryVNE Team\FurryVNE\"
3. Press enter.
4. In the folder that opens, locate the file "Player.log".
5. Either upload this file somewhere, or copy its contents and paste at <https://pastebin.com/>.
6. Give us the link.
